

FALCON FOOTBALL NEWS

WINTER 2008

Cedar Crest High School

Next FFC Meeting: January 17, 2008 / February 21, 2008 @ 6:00 PM in the LGI Room

Dear Falcon Fans,

We are into our off-season strength program and the initial results have been positive. I want to encourage every athlete who is not in a Winter sport to make a comitement to the weightroom three days per week. Games are won in the off-season! During the past month I have conducted individual meetings with all of the upcoming seniors. Over the next two months, I will spend time individually with the Juniors and Sophomores. Each student-athlete has been asked to set goals academically, in the weightroom, and on the field for the 2008 season.

As we look forward to the excitement of moving into a new lockerroom in the spring, the efforts of the Falcon Football Club remains a high priority for the success of the program. Over the next couple of months I will share initiatives that the coaching staff has set in an effort to continue improving the playing experience for our kids. Please consider taking a leadership role or an active part in one of the many events that are planned for the 2008 season! Come out and support the kids at the Falcon Football Club meetings.

Thanks for all your support!

2008 Captain Candidates

Each senior has the opportunity to be considered for the role of a captain on the football team. The following seniors have completed an application and will interview with the coaching staff on January 26th. The captains will be announced in February. Congratulations to the following candidates:

Left to Right
Joe Sarra
Elliot Irwin
Josh Branch
Ryan San Martin
Tyler Bennett
Paul Harpel

How are YOU going to help?

Each year, in the month of January the Falcon Football Club will ask for your active support in one of the many programs that directly benefit your son. A parent or family member can be a club officer, coordinate a club event, or take part in the many volunteer hours that directly benefit the kids in the program. In the past the club has raised money and supported the boys in a number of activities, helping to make football one of the best experiences your teenager will have.

Each family of a Falcon Football Player entering grades 8-12 during the 2008-2009 school year is encouraged to be part of the Falcon Football Club. Please complete the enclosed Club Registration Form and return it immediately to:

The Falcon Football Club has made great strides trying to set our program apart from the others not only in the county, but the entire Lancaster Lebanon League. In February of 2006 our new football website was introduced. While we know that not everyone can rely solely on the internet, it is our goal to put more information at the fingertips of each Falcon parent and to promote our kids? Check us out on the web and sign up now for the E-Newsletter and other important regular announcements from the Coach.
